Release Treatment Consent

1. CONSENT FOR TREATMENT

I understand that as in all types of medical and psychological treatment, there are certain risks. This includes the general risk that there may be emotional pain, stress, and/or life changes associated with mental health and/or substance use disorder treatment; and although mental health and/or substance use disorder treatment helps many individuals, it is not always completely effective. I hereby give written consent for mental health/substance use disorder treatment. My clinician will inform me of other specific treatment risks that may be involved in my case, and/or I will ask any questions I may have about specific treatment risks.

2. CONSENT FOR RELEASE OF PROTECTED HEALTH INFORMATION

I consent to the release of protected health information including Alcohol & Drug Abuse Records, (42 CFR Part 2: and/or HIPPA 45 CFR) that is required to carry out treatment, payment, and healthcare operations on my behalf. If I am or will be working with more than one Northern Pines provider or program, I consent to all the Northern Pines providers and programs I am engaged with sharing my Northern Pines health information in order to facilitate better care coordination. I acknowledge that I have received and read the Northern Pines Mental Health Center Notice of Privacy Practices.

3. RELEASE TO INSURER/BENEFIT ASSIGNMENT

Insurance requires that I attest to the following: I request payment of authorized health insurance, CCDTF, Medicare, and/or Medicaid benefits be made on my behalf to Northern Pines Mental Health Center for as long as there is a balance due. I do agree to pay for all services provided to me, my spouse, and/or minor children including all charges not covered by insurance payment or by CCDTF funding. I agree that I will be financially responsible for making payments to Northern Pines Mental Health Center for anything deemed as co-insurance, deductible, copay, plan exclusions, non-covered services, and other services that health plans, Medicare, and Medicaid deem as patient responsibility. I understand that services are sometimes not covered by insurance, where I accept financial responsibility. These services include, but are not limited to, skills (H2017 and H2014). I am responsible for checking benefits and limitations independently with my insurance health plan. I understand that if I would like a cost estimate for services, I am responsible for requesting this information from Northern Pines Mental Health Center. I authorize the disclosure of only the mental health information required to determine payment of my bill, payment of claims, fraud investigation, and/or quality of care review studies to the appropriate payer. I have received a copy of the Financial Policy Handout, and I understand I may be eligible for a sliding fee structure and that if payment is not received, then an outside collection agency may be utilized. If I elect to pay for services out-of-pocket, I understand that I will be fully responsible for these charges. I understand that by my election to self-pay for services, any payments made will not be credited towards satisfying my deductible or out-of-pocket maximum with my health plan. I understand that if electing to self-pay for services while having available insurance coverage will disqualify my ability to apply or receive any type of funding through Northern Pines Mental Health Center. I understand that if I do not provide Northern Pines Mental Health Center full and accurate insurance information needed for claim submission at the time of service, I will be fully responsible for all charges at full fee. I understand that if I choose to utilize and provide Northern Pines Mental Health Center with insurance information after the service is rendered, that I accept financial responsibility for the services in the occurrence of a timely filing denial from the health plan.
